- Larry will pick up flags and put them on graves with volunteers at 8:00 AM Saturday morning

New Business

- Fill the water tank at the Village Cemetery
- Look at clearing Hayward section of Village Cemetery
- Mapping Village Cemetery
 - Peter did a presentation of drone maps laid over current maps
 - Discussion of digitizing maps
 - Looked at different maps – one map is correct in sections A and B, but isn't correct in section C
 - Using aluminum discs to help mark out grids for new section
 - Discussed road location
 - We'll need to go to the cemetery to see the lay of the land
 - Possibly put road along Hayward section and come back on one side of Mallory plot or the other
 - We'll need to use a row of section C plots to create road
 - Peter will rectify maps for the next meeting
 - Should we pay Peter for his time mapping
