

FFB Meeting 7/13/22
meeting CTO / 5:01 by Dan Ludwig

discussed the new gate by the wetlands
by Chris Longs, & Brushwood Rd.
mission is to close that off to all traffic.

talked about land arming the trail across
the baldtop Rd from the Chestnut Landing
Road.

focus now is dependant on our funding.

Reck Dyer is going to help w a grant for
work in town Forest. We don't want to
cause taxpayers expense for trail
maintenance on an extensive trail system.

Lynn Fitch - disappointed
Becka Washburn report -

Bill Weale - make sure there is allowed
access by foot through the gate ~~to~~ Terry
installed one, the line between his
property & the town forest.

Donna Richardson - re: gate on Knox Rd.
has noticed a lot of motorized
activity all over trails.

VASA ~~to~~ trail - Sanakela to Mill Pond Road.

- We need a wetlands permit to work w/ heavy equipment in a wetlands area

- Lynn Fetsko - hardened trails for motorized + trails for lesser use,

Bill Weak - wetlands trail is very dangerous - even to first responders

approval of draft minutes
motion to approve by Terry Lewis
Reg + Mitch seconded
affirmative vote.

Don Ludwig - after a good rain,
Sanakela Brook clear

Glens Falls "

Aloha Manor bubbles + muddy

Bonne Oaks "

Peter Berger - there is a group doing a study of all brooks flowing into lake.

Bill Weale - meetings of the group need to be warned.

Don - get back on a regular scheduled meetings. March, June, September, Dec. Wednesdays. second Wed. of the month @ 5:00.

Terry - motion to adjourn
Motion seconded.

Respectfully submitted by Reg Cramer
