Re: Weekly Report I will return to the office March 25th.

- Requests for Congressional appropriations are due Monday April 8 for Senator Sanders which uses and automated system, and I will turn to Welch and Balint on my return on the 25th. I have updated the request for 2025 by roughly 10%. Letters required by Balint and Welch are attached for Peter's signature.
- Submission for the Neighborhood Development Area application will be ready for the April meeting of the Downtown Board.
- DRB held its organizational meeting with Tim Danen returning as chair and Bill Dunnack as vice Chair. We still have an open seat.
- I have submitted my letter of interest for reappointment for the next three years as you ZA.
